

SIHI PARTNERS WORKSHOP: CREATING AN ENABLING ENVIRONMENT FOR SOCIAL INNOVATION IN HEALTH

27 May -
28 May 2020

Les Pensières Center for Global Health,
Mérieux Foundation, Annecy, France

Starting at 12pm, ending at 2pm the next day

AN INVITATION TO PHILANTHROPIES

Philanthropies are critical for community-engaged social innovation in health in the global south.

How can your organization play a role in creating an enabling environment to spark and support social innovation at a local and a global level?

Join us for a 1-day workshop to **foster new partnerships** that can accelerate and amplify the impact of social innovation in health.

Become a **part of our community** of individuals, agencies and organizations, passionate about realizing transformable change in healthcare for the benefit of people in Africa, Asia and Latin America.

WHY ATTEND THE WORKSHOP?

- To gain a deeper understanding of the value of social innovation in health and the need for research in sustaining and scaling these initiatives.
- Discuss and share about the contribution that your organization can make in enabling social innovations in health.
- Network and explore new partnerships between your organization, governments, social innovation country hubs and international agencies.

WHO WILL BE THERE?

This dynamic workshop will leverage the expertise and experience of 50-participants from different countries, disciplines and sectors. Each of the existing SIHI Hubs from China, Colombia, Malawi, Philippines, South Africa and Uganda will be represented.

“This workshop was a real game-changer and helped me to re-think how social innovation could inspire research, training and programs in my organization”

Attendee, SIHI Partner Workshop 2019
